## Essential Elements Interactive

As part of our **Personalized Learning Initiative**, we will begin to slowly integrate **Essential Elements Interactive** in orchestra, which is music learning software that can dramatically improve students' skills by transforming the way they practice and learn. As students perform along with music on-screen, they also hear their part in context with professional accompaniment.

You will need to create a STUDENT account and a PARENT account. Parents instructions are at the end.

Step 1: Go to [www.essentialelementsinteractive.com](http://www.essentialelementsinteractive.com) or download the app.

Step 2: Click “Students” button. If you have not used the site before, click Enroll in Your Class

The school code is **NorthwesternOrchestra** (NO spaces)

Student ID is your student ID number (lunch number)
