

2017 District 5 Solo and Ensemble Performance Evaluation
Saturday, April 29th, 2017
Milton High School

Thank you for signing up to perform at the GMEA Solo and Ensemble Performance Evaluation on April 29th at Milton High School.

At this point you have been assigned a piece of music and you are rehearsing weekly with your group. Remember that Mrs. Champion is available most mornings before 8:00 a.m. to help your ensemble. As it gets closer to the event, the demand for teacher help increases, so preparing *early* is your best bet!

On the day of the event, you must wear your NMS Orchestra uniform (blue polo, black pants) with dress shoes. You should arrive approximately 30 minutes before your performance time with your instrument. Go into the Milton HS cafeteria and find your group members. Unpack and warm up. Mrs. Champion will be there to tune your instruments and will provide your judges' music and score sheet. You will be escorted into the performance room, so please remain in the warm up area until you are called.

After your performance, you are free to pack up and leave with your parents. You will receive your scores on the Monday after the event. GOOD LUCK!

Please see this file for arrival and performance times:
