Orchestra Notes Week 11

Good afternoon Orchestra parents,
Thank you for coming to the concert last night! There are a few announcements this week.

PHOTOS FROM THE CONCERT

Before the concert, students had individual photos made with their instruments that will be used for a composite photo. This service was provided free of charge by Prestige Digital Imaging. The only income the photographers receive are when parents purchase portraits. Please support this project by purchasing a package. They offer a 100% money back guarantee if you are not satisfied with your photos. Please visit pdiporraits.com and click on "MUSIC PKGS" or "MUSIC GIFTS." In addition to the photo packages there are a number of cute items such as mugs, pens, and magnets. After you make your selections, you will need to enter your "Students Full Name" and then Northwestern Orchestra under School Name and Program Name. You can check out securely with a credit card and your order will be shipped directly to you. There are no proofs on the website, but all students viewed and chose their best shot at the concert. If you would like to see a proof before purchasing you may email Kelly, kelly@digitalfotos.com.

The candid photos of the concert will be available in a few days.
