

2018 Orchestra Performance Evaluation

Dear Orchestra Parents and Students,

Each year the Northwestern Orchestras participate in only one competitive/adjudicated performance called Large Group Performance Evaluation (LGPE) sponsored by the Georgia Music Educators' Association (GMEA). All music performance groups throughout Fulton County Schools are required to participate in LGPE. At this event, the orchestra and I will be evaluated on our appearance, stage behavior, music selection, all aspects of our performance skills, and sight-reading ability. We will earn numeric ratings and comments by three certified GMEA Orchestra judges and one sight-reading judge. We will also have a short clinic with one of the judges that heard our stage performance. This event is a valuable learning opportunity and provides motivation for students to do their best on the chosen music. As you can imagine, every student is crucial to the success of the performance; therefore this is a mandatory performance for every orchestra member. GMEA District 5 LGPE site A will be held at Roswell High School. Our stage performance for Seventh Grade is **10:30 a.m.** and stage performance for Eighth Grade is **12:45 p.m. on Wednesday, February 14, 2018.** Please see the detailed schedule below.

The goals of Orchestra Large Group Performance Evaluation participation are:

- ♪ To raise the standards of musicianship, instrumentation, technical knowledge, and literature selection of performers
- ♪ To promote the development of musical knowledge as expressed in performance through evaluation, advice and suggestion
- ♪ To offer students, parents, and teachers the opportunity of extended listening to the best work of peer groups from other schools
