FALL CONCERT PICTURES

Our Orchestra pictures were made on October 17th. However, it's not too late to order photos. This service was provided free of charge. They provide our yearly BIG composite that we hang on the wall every year. The only income the photographers receive are when parents purchase portraits. Please support this project by purchasing a package. They now have a way for you to order picture packages and photo gifts online. Please visit <http://pdiportraits.com>.
