

Orchestra Notes 4/28

Congratulations to all of my students who participated in Solo and Ensemble Performance Evaluation on Saturday. We all earned superior and excellent ratings again this year! GREAT JOB!

There will be NO morning practice tomorrow or Tuesday morning. However, I will be available for students to return school owned instruments that were borrowed over the weekend.

Students will receive 4.5-week progress reports for all of their classes tomorrow, HOWEVER- orchestra grades have changed since I had to submit last week, so I will give students a printed report for just orchestra that shows all of their grades tomorrow. Please check Home Access for an up to date grade. If you cannot for some reason, I am happy to email you an individual report if you request it by email.

On SmartMusic, a 50 in the grade book means NOT submitted. A 60 means reassigned for another try.

Almost all orchestra students have SmartMusic they need to submit.

SPRING CONCERT MAY 14!
