2019 Solo/Ensemble Information and Application

The solo/ensemble performance evaluation program sponsored by the Georgia Music Educators Association is an evaluation procedure of musical performance abilities for individual students and small ensembles. Recognized authorities in the field of choral music education critique the participation of each performance and provide feedback including a rating, comments and suggestions. The goals of solo/ensemble performance evaluation are to promote the development of musical knowledge and to raise the standards of musicianship, technical knowledge, and literature selection of performers.

Solo/Ensemble runs in conjunction with the District 5 Honor Chorus event and in the same location, October 26, 2019 at Johns Creek United Methodist Church. Auditions will be scheduled between 9am and noon. Students may participate in both events. After everyone has performed, the judges will select the top solos and ensembles to perform on the Honor Chorus Concert at 3:15pm. Students who are to perform on the concert will be notified after 12pm on the day of the performance.

Students who would like to participate in Solo/Ensemble Performance Evaluation this year should return this form to Ms. Grant and pay the \$20 fee on the school online payment site no later than Wednesday, September 4.
